Nestled in a neat and tidy neighbourhood this home has a fantastic family floorplan. The open-plan kitchen, dining and living zone serves as the heart of the home with the large kitchen bench doubling as a breakfast bar- this is bound to be a central point for the family to snack and chat. This zone also features high ceilings and air conditioning giving spaciousness and comfort. Triple stacker sliding doors open out to the alfresco area and fully fenced backyard great for kids and pets. Comprising of four bedrooms, the master with its own ensuite & walk-in robe. The remaining three bedrooms are well appointed, each with built in robes and ceiling fans. These bedrooms are serviced by the main bathroom, separate toilet and extra multipurpose area suitable as a play space or study spot. Another addition to mention is the second lounge room. This is a great parents retreat being next to the main bedroom and independent from the "kids zone".The large double garage has automated roller door and internal access to the home. This is a lovely home ready to move straight into. Call to arrange an inspection - 0422 369 188.
