Heaps of storage and privacy this one is worth an inspection. This is a lovely home set in the original part of town with so much storage. The home has 3 good sized bedrooms - main with a large wardrobe. Split air-conditioning throughout and in the rooms. There is a lovely entertainment area and private gardens. Even a private little reading nook right next to water feature. Huge double garage with its own private bathroom, with double carport incorporated. Massive garden shed, 1 x double and 1 x single. Very secure and is fully fenced. Make sure you give this one a look. You won't be disappointed. Call our agency now to arrange an inspection.
