A mere 130m from Basin Beach Reserve is where you will find this wonderful sun kissed paradise bathed in northern sunshine. Ever so stylish yet simplistic the principle of the design is for relaxed coastal living year round. Big windows frame the outlook of the private, enclosed lush gardens. Chill on the deck with a magazine or book before repurposing the area for afternoon cocktails as the sun sets before dining alfresco under the stars. Bonus of being able to live on one single level for ease and convenience. You can utilise the lower level of the property as an inspiring studio, workspace or space for teens or in-laws. There is something very special about living by the beach - it soothes the senses and the soul. Cocoon yourself away from the every day or explore nearby cafes, restaurants and boutiques to get your people fix. We invite your inspection of this very special haven by appointment. We won't tease you with more, come and experience this joyous home for yourself without delay.
