Experience the best of both worlds - a meticulously presented home with a floor plan that effortlessly flows from front to back, enabling you to savour the comforts of a modern lifestyle and the simplicity of low-maintenance living. This exquisite residence was crafted in 2016 by the award-winning Ross North Group and offers a lifestyle that combines convenience and luxury on a sunny 270 sqm block of land. As you step through the inviting entrance, you'll be greeted by a thoughtfully designed three-bedroom, two-bathroom floor plan that is certain to delight your entire family. Each bedroom features built-in storage, with the master bedroom truly standing out thanks to its walk-in robe and a three-piece private ensuite. The fully equipped main bathroom is appointed with a relaxing tub, a glass-enclosed shower, and a sleek vanity sink - creating a spa-like atmosphere that you'll love coming home to after a hard day's work. For the diligent professional or creative soul, a conveniently located study off the entry offers a space to focus, create, and let your ideas flow. Meanwhile, towards the back, you'll find the laundry area that includes washer and dryer hookups, plus a discreetly positioned toilet for privacy. The laundry also opens directly outside, allowing you to step out and let your freshly washed clothes hang on the line. The heart of the home is an open-plan kitchen, living, and dining area that provides abundant space for daily living and entertaining. The kitchen is a haven for home cooks, boasting ample bench and cupboard space, including a generous reach-in pantry and a separate island with a breakfast bar. Here, you'll also appreciate a suite of stainless steel appliances, including a dishwasher. No matter the season, you'll stay comfortable with split system air conditioning cooling the bedrooms and the dining area, while LED downlights illuminate the entire house. The covered alfresco area invites you to dine and unwind outdoors all year round. Completing the package is a double lock-up garage with direct access inside, providing both security and convenience. Here, you can seamlessly transition from your car to the comfort of your home. With everything you need to live in comfort and more, you need not look further than this haven.
