Situated in one of Tanunda's best locations, adjacent to the exclusive Wild Cherry Lane, this character home is perfect for those wanting to be in the heart of one of the Barossa's best towns. Built in 1910, the home features three bedrooms (or two bedrooms with two sleepouts/study), a large kitchen, generous family/living area and a wonderful cellar, perfect for storing all those quality Barossa reds! A large return verandah helps shield the home from the summer sun while a split system air-conditioner keeps the home temperature controlled all year round. Situated on a large 815m² allotment, the property is home to a 6m x 4m shed with the spacious block allowing for further shedding, veggie gardens, fruit trees, chook run.....whatever you desire! Rarely do properties in prime locations with character homes get presented to the market, don't miss your opportunity to own something truly special in the thriving Barossa town of Tanunda.
