\$950,000 - \$1,000,000

Offers close Tuesday 28th May at 12pm. Blending its suburban appeal with a spacious and elegant family design, this 3-bedroom plus study home offers a lovely existence just metres from Benton Junior College, showcasing a perfect symmetry of formal and casual living and dining spaces, plus alfresco space ready for the entertainer's domain of your dreams. A heritage facade slightly above the street gives an immediate sense of home, preceding a spacious layout with a huge formal lounge and dining area, separate from an open family and meals area by the classic yet vibrant laminate kitchen. Stainless steel appliances provide the conveniences needed for easy living, while its footprint is perfect for a modern makeover by the large sunbathed terrace and lush yard. The bay-windowed main bedroom boasts a walk-in wardrobe and a full ensuite, with two more robed bedrooms serviced by the family bathroom, laundry and separate toilet. Catering to practical needs with a separate study/fourth bedroom, ducted heating and a double garage, it sits in a neighbourhood rich in family appeal, moments from Benton Junior College, buses, Bentons Square, HomeCo Shopping Centre, Mornington's Main Street and the beautiful foreshore.
