Superb opportunity with lots of future potential for young family!

Showcasing classic period features and plenty of character. This well-maintained double brick family home offers a superb opportunity for first home buyers and young families. It is peacefully located just a short walk from the village of Croydon, popular for eateries, train station and excellent school catchment. There is 1 updated bathroom with a separate toilet, built in robes in both bedrooms and newly renovated gas kitchen with stone benchtop. Traditional lounge room and separate dining area flowing to undercover timber deck overlooking child friendly lawn area and cottage gardens. Other features include high ceilings, leadlight windows, carport, and handy side access.
