This solid brick three bedroom home has seen better days and could do with a major renovation. Alternatively knock down the property and build town houses (STCA) on this 607sqm block of land. One thing for sure is this prime location is handy to all amenities. Its only: 700m to Reservoir train station and 100m to bus stop. 600m to Broadway shops and 700m to Edward Street shops. 1.5 km to J.C. Donath Reserve and 1.7 km to Edwards Park Lake. 1 km to Reservoir Leisure Centre and 4 km to Bundoora Park Public Golf Course. While Latrobe University is a leisurely 3.5 km walk. Register your interest to inspect the property so you don't miss out on this fantastic opportunity to acquire this home / site that has been in the same family for 50 years approximately.
