Introducing M House - A private tropical oasis Viewings available anytime via private appointment for ready buyers. Overlooking the private and serene Casuarina landscape, abundant in wildlife and birdlife, this Architectural award winning beachfront home flawlessly blends tranquil retreat with tropical paradise. M house offered first time to market, offers a sprawling design across two levels that infuses contemporary elegance. Its beating heart is the open plan kitchen, living and dining zone, strategically set on the second level to take in the green space that lusciously cradle the home and connect indoors to out. Create feasts for family and friends in the gourmet kitchen, featuring a blend of stone and stainless benches, a walk in open plan butlers pantry and only the best Miele appliances. Delight everyone with a covered alfresco setting that's perfect for long lazy Sunday lunches overlooking the manicured lawns and gardens that provide a burst of colour. For those colder days that are rare, enjoy nights curled up in front of the real timber fire burner that takes centre stage in the open plan living. The fusion of polished concrete floors, soaring ceilings, natural stone and warm timber finishes continues throughout the generous home. Upstairs also hosts the subtly sophisticated master suite with a dressing room and a luxurious ensuite with jetted spa bath. Downstairs is adorned by double height feature glass to welcome guests and also features three further bedrooms, a dedicated media space and huge storage room. Conveniently located on the doorstep of Casuarina Beach your best life begins here. Boating, fishing, kayaking, swimming, surfing or SUP'ing - it's all within easy reach. Popular eateries and entertainment spots are close too, including Lolita's, Tucker and Coles Shopping Centre, or stroll to Salt Village for a scenic dinner. Parents will appreciate convenient bus networks, plus make a date each week to stock up on fresh fruit and vegetables at the various farmers markets nearby.
