Stylish renovations to this 4 bedroom house will provide you with low maintenance living for the years to come. There's so much to love about this home! From the stylish well appointed kitchen with a butlers' pantry and dishwasher. The open plan living area with easy care floating floor opens onto a large Easterly facing deck, perfect for those morning breakfasts. The bedrooms all have built in robes and ceiling fans, the master with a split system and spacious ensuite. With ducted reverse cycle heating and cooling and 8kva Solar panels, maintaining year round comfort will be a breeze! The yard is easy care and well fenced, with side gate access to a shed. While the spacious garage has remote control doors and provides convenient internal access. The home is situated within easy walking distance to the Primary School, Lutheran Church and St Pauls College, whilst school buses also run daily to Culcairn and Albury. Walla Walla is a vibrant town, with local employment opportunities and only 30 mins drive to Albury.
