Desirable Prime Location

Privately propped on a large 739sqm (approx.) allotment, this property presents as a comfortable family home or investment, with excellent scope to enhance its original style. Completely screened from the street with lush greenery and offering natural treed surroundings, the home is private, quiet and has a lot of potential.

Inside, the home is in original condition and you're greeted by a spacious living and dining domain that flows onto the fully equipped kitchen. Three bedrooms complete the accommodation and are shared by the main bathroom with bath, shower and separate toilet. This is truly a renovator's dream and waiting for the next owners to put on their own personal touch and make it their own.

Outside, a beautiful alfresco overlooks the pretty garden setting. The perfect place to relax, unwind and for the children and pets to relish. A single lock-up garage completes the package!

A central position supplies convenience in abundance. Located within close proximity to Bayswater Shopping/Woolworths, Bayswater Station, Bayswater Primary School, Bayswater Secondary College Bayswater Park & Marie Wallace Park and only moments away from Eastlink and Westfield Knox.
