This solidly built 3 bedroom, 3 bathroom home is packed to the rafters with character and has all the comforts you could wish for. Enter the home through the large combined dining and living area, with slate tiling, combustion heating and split system cooling, this area overlooks the front garden which is set behind secure fencing. The kitchen features bifold casement windows over the double stainless steel sink, providing a perfect view of the entertaining area. This kitchen has all the appointments you would wish for, with a self-cleaning oven, gas cooking, dishwasher and a huge walk-in pantry. The master bedroom is large and has a sizeable ensuite with direct access to rear yard, the other two bedrooms have built in robes and are serviced by a renovated full bathroom with a WC located separately. Behind the single garage with roller door access is a utility room with shower & WC that could easily be converted into a home office or teenager's retreat. Enjoy your free time in the thoughtfully planned rear yard, from dining under the massive covered entertaining area, cooling off in the swimming pool, pottering away in the raised garden area that is shaded by mature olive trees or sitting by the firepit in the colder months. You and the family will be enjoying this space for hours on end. To book an inspection call Drew or Toni today on 0458 739 469.
