**\$845,000**

Tucked away in a quiet street, this expansive four-bedroom family home offers a rare blend of comfort and functionality. Boasting generously sized bedrooms, including a master bedroom with ensuite and walk-in robe, this residence is designed for luxurious and spacious living. The multiple living areas and ducted air-conditioning provide versatility and space for the whole family to enjoy. A standout feature is the drive-through garage, offering convenient access to the backyard, perfect for those with trailers, boats, or additional vehicles. Entertain in style under the large undercover outdoor area, ideal for year-round gatherings. Situated on a large block, there's plenty of room for indoor and outdoor activities as well as potential future enhancements. Don't miss the opportunity to make this your family's forever home. Contact us today to arrange an inspection.
