Experience the ease of move-in ready living with this fully renovated home in a quiet cul-de-sac. This property has undergone a complete renovation with a new kitchen, new bathroom, freshly painted interiors along with new floors throughout and more. Walk in and unpack, inside there is nothing left to do. The floorplan is very functional, on entrance opening to a north facing open plan living room adjoining dining and kitchen in the adjacent room. This area is well serviced by an air conditioner and opens to the rear patio. A brand-new bathroom and laundry mirror the sleek design aesthetic seen throughout the rest of the home. Functional bedrooms ensure everyone has their own personal space. Outdoors, the rear patio is well protected with a southern aspect and the front porch facing north. Rear access for a caravan, boat or to construct a shed is easily obtainable on the western side of the home, a garden shed provides additional storage. If you're in the market with a fixed budget and not keen on renovating, this property is well worth the inspection.
