Paul Franks

Low Maintenance Gem In Sought After Estate

Located at the end of a cul-de-sac, backing onto reserve land and bathed in natural sunlight, this elevated dual level brick and tile residence is immaculately presented and will appeal to young families and downsizers alike. Featuring 4 bedrooms, 2 chic bathrooms including an oversized main and a stunning gourmet eat in kitchen. Massive living area, rear dining space and family room that leads onto the undercover entertaining area. This striking home comes complete with a double lock up garage, air conditioning, new carpet throughout, timber floors, functional laundry with side yard access, beautifully landscaped gardens and is within close proximity to Beacon Hill Public School, Oxford Falls, parks, bush trails and the B Line bus stop.
