Imagine stepping into an unmatched luxury lifestyle – are you ready to discover a property that's beyond compare and exclusively yours!? This striking ultra-modern home boasts unmatched views of Mount Bogong and the Upper Kiewa Valley. Architecturally designed with an industrial theme, this residence is the lock up and leave, low maintenance lifestyle you have been waiting to find in the Victorian High Country. Embodying the essence of Falls Creek, a mere 45-minute drive away from the renowned Ski Fields, this home welcomes you with resort-inspired steel walkway amidst a mountain-themed slate garden featuring a dry creek bed. As you step through the impressive entry, prepare to enter a realm of unparalleled living. Boasting three bedrooms, two bathrooms, and sleek design across three levels, this property epitomises modern sophistication. Prepare to be captivated by the expansive open-plan living area, where the lounge, kitchen, and dining space come together seamlessly. Floor-to-ceiling windows flood the space with natural light by day, while tinted glass adds the utmost privacy without obstructing your view. The kitchen is centrally located between the dining and lounge equipped with top-of-the-line appliances and a large island bench with an induction cooktop, so your MasterChef side is satisfied while still being fully involved with your guests. Upstairs, a spacious mezzanine sitting room awaits, offering panoramic views of the surrounding countryside. It's the ideal spot to unwind with a book or simply soak in the breathtaking scenery with a glass of wine and friends and family. But the real showstopper lies outdoors, where a pool pavilion awaits, complete with a heated spa and swim-jet pool. Whether you're lounging poolside or enjoying a recovery session after adventuring in the snow, this alfresco oasis promises endless hours of relaxation and entertainment. Retreat to the master bedroom, where industrial chic meets contemporary luxury. Floor-to-ceiling windows frame views of the serene landscape, while a double-access walk-in robe and ensuite bathroom offer the ultimate in comfort and convenience. Two additional bedrooms, each spacious and stylishly appointed, provide ample space for family or guests. The third bedroom is currently utilized as an office providing a serene space to get your work done. The lower level of this property boasts intricate design, housing a spacious workshop, a three-car garage, a pool utility room complete with washroom facilities, and a separate garden shed with its own entrance. All spaces feature concrete flooring and ample built-in cabinetry for storage needs. Adjacent to the rear garage entrances lies a sizable bitumen driveway and yard, providing ample room for a caravan, motorhome, or boat. The elegant gardens are meticulously self-maintained, featuring compact fruit trees and convenient auto drip irrigation for hassle-free upkeep. This home is enhanced with double-glazed windows, 9.2kw solar panels with Tesla battery backup, a comprehensive security system, and a state-of-the-art AV system and much more. Please enquire today to receive a full list of specifications in our property e-brochure. Located in the most high-end estate of Tawonga South, this property is minutes from all your Mountain adventures that await you.
