Distinguished by exceptional attention to detail and a sophisticated designer palette, this contemporary family residence offers first-class living in a serene parkland enclave. A highly versatile five-bedroom, two-bathroom configuration with convenient powder rooms on both levels, the vibrant heart of the home is the gourmet kitchen. Dressed in stone and featuring premium appliances and a walk-in pantry, your friends will mingle around the island while you cook and then relax with you in the open-plan dining and family room. In quiet contrast, there's an elegant lounge room as well as an upstairs retreat where you can unwind after a long day. Luxuriously fitted throughout, the master bedroom boasts a walk-in robe and dual-vanity ensuite. Enjoying every comfort you could desire, there's also ducted heating, split system air-conditioners, security and internal entry to an extra-large double auto garage. Next to a walking trail that leads straight to Quarters Primary School, it's also an easy walk to Cranbourne West Secondary College, St Peter's College and village shops.
