Step into a bygone era with this fabulous 1950s Cream brick time capsule home, a true gem frozen in time. Nestled on the elevated side of the street, the leafy garden entry sets the stage for this impressive property. The well-maintained residence boasts original charm and character throughout. The double glass door entry welcomes you in via the elevated front porch. The sun-filled kitchen-meals area is perfect for cozy gatherings, while the spacious lounge room provides a comfortable retreat. Three double bedrooms offer ample accommodation, two feature built in robes and all with large windows. The central bathroom has shower and separate toilet with added external access. Further highlights include ornate cornice, original lights and fittings that add to the home's authentic charm. Under the floor coverings there are hidden hardwood timber floors and the home sits solidly on concrete stumps with excellent vented sub-floor. The concrete driveway leads to not one, but two garages/workshops, providing plenty of space for hobbies or storage. The easy-care gardens surrounding the property add a touch of greenery without the hassle. Unlock the full potential of this property with the opportunity to develop dual occupancy or create an amazing space for extension and additional gardening. With 1.2km proximity to the town centre and less than 1km to Winter Flat School, convenience meets vintage charm in this marvellous home. Enter a world of nostalgia with endless possibilities!
