****Access via Skardons Road**** Enjoying stunning seclusion from its serene private sanctuary, this incredibly presented and cleverly renovated residence will impress at every turn from its traditional farm house style and quality of yesteryear to its landscaped outdoor spaces and contemporary modern finishes. Encompassed by spectacular natural surrounds, lush lawns and a magnificent wrap-around verandah, the scene is immediately set as you step inside to cathedral style ceilings, exposed beams and beautiful bricked floors. An intricate and flowing floor plan boasts bedrooms with robes, including a hotel style master with walk-in robe and magazine worthy en-suite with oversized walk-in shower, a stylish vintage timber themed main bathroom plus a magnificent open plan dining and exquisite kitchen precinct. With concrete benches, quality appliances, a breakfast bar and an abundance of customs storage, the kitchen is a real highlight, while the semi-formal lounge with feature fire place is the perfect place to convene with family and friends. Multiple access points connect to the amazing outdoor landscape that includes additional seating/entertaining areas, a tranquil pond, picturesque dam, fire pit and of course, plenty of land for the kids and pets to explore. With the addition of a Coonara-style wood heater, zoned heating and refrigerated cooling, split-system air-conditioning, ceiling fans, convenient attic storage and a large shed with approved plans to extend, this is a tree change for the better. Providing a serene private sanctuary for its lucky new owners yet with connection to Heidelberg-Kinglake Road, Cottles Bridge-Strathewen Rd, Church Rd and the Kangaroo Ground-St Andrews Road, a relaxed and rewarding lifestyle awaits.
