\$658,000

Presented in immaculate form in one of Bittern's more tightly-held enclaves, this charming 3-bedroom home presents the perfect canvas for those looking to renovate and create their dream home. A spacious 660 sq. metre (approx.) allotment headlines its appeal, just moments from Bittern Primary and village shopping amenities. A charming rendered facade gives way to a spacious interior with a large lounge separate from the kitchen and meals space, where timber-look floors draw towards its stainless steel cooking appliances and a modern dishwasher. In-home events become much easier with a full-width covered alfresco terrace, looking out over an extensive yard perfect for the kids or future subdivision (STCA). The three bedrooms lay along the private hallway, including the master bedroom with a walk-in robe and ensuite entry into the central bathroom. Equipped with split-system air conditioning, gas heating, a full-sized laundry, and a freestanding double garage, it's conveniently located metres from Graham Myers Memorial Reserve, Bittern Primary, Bittern Fields Shopping Centre and Bittern Station.
