Take a step back in time and appreciate the craftsmanship that went into building this lovely 1940's era home and get ready to roll up your sleeves and restore this former beauty to her glory days. Solid hardwood timber floorboards are throughout the home and have been polished to feature in the living and dining room areas. In keeping with the period, carpet has been laid in the bedrooms, but it is now time for it say it's goodbyes and reveal the stunning timber underneath. Each room is adorned with art deco style plaster cornices and feature archways lead you from one room to the next. As the home has a northerly aspect, the patio area to the front, complete with columns, is a perfect place to take in the morning sunshine and border range views, over a cuppa. To the rear there is a spacious deck that overlooks the back of the property which is complete with a large fernery, entertainment area and spacious yard ready for your family to enjoy. There is even an established orange tree that produces plenty of fruit. Underneath the home there is a second bathroom, second toilet and large open plan living space. You will find plenty of room down here to extend the home should you need to. There is also a single lock up garage with room for a workshop and storage space available. The Colorbond roof was completely replaced only a few years back and has several whirlybirds. Murwillumbah is the gateway to the Tweed Region's most beautiful natural attractions, take your pick from a walk in the hinterland, a dip in a waterhole or a drive to the beach. Cabarita Beach and Kingscliff are only an easy drive away. Wander the world-class galleries, have a long lunch, browse the boutiques or find something special at the Makers & Finders Market. This is regional living at its best. Need to be somewhere else? The Gold Coast Airport is a 30-minute drive for all your national and international destinations. Are you ready?
