Treat yourself to this captivating 4 bedroom 2 bathroom home in the heights of West Beach, situated in a quiet street with no through traffic. Close by is a children's park and the glorious beach is within easy walking distance. Looking back from the front doorstep you can see a stretch of blue Bay and distant views to 6 Mile Hill. These views are also captured from spacious living areas inside the home and the front balcony. French doors in the front hallway open into generous family & dining areas and the budding chef will love the striking, big timber featured kitchen, which includes a walk-in pantry and dishwasher. On the other side of the front hallway is a restful sunken lounge room, an ideal place for quiet moments or other separate activities. Experience a feeling of space created by wall to wall and ceiling to floor robes in the large master bedroom. All of the bedrooms have built-in robes and individual airconditioning units and you can luxuriate in a spa bath discovered in the main bathroom. Outside at the rear is a double garage, as well as a separate 7m x 6m large garage/workshop for extra storage or the hobby enthusiast. A beautiful home that will suit the whole family! Gated access to rear yard and roller shutters to all windows make for a safe and secure home.
