Nestled in the heart of a desired, family-friendly community, this stunning brick 4-bedroom home offers an unparalleled lifestyle that blends comfort, convenience, and investment value. Perched on an elevated platform of 950m², this gem boasts breathtaking views of the majestic Bunya Mountains, inviting you to immerse yourself in the tranquility of nature right from your own backyard. Step inside to discover a spacious and functional floorplan, perfectly designed to accommodate the dynamic needs of your growing family. With 4 bedrooms, 2 bathrooms, and 2 inviting living rooms, there's ample space for everyone to unwind and connect. Picture cozy evenings spent in the separate media room, laughter-filled gatherings in the expansive living and dining areas, and culinary adventures in the great-sized kitchen, where cherished family recipes come to life. Venture outdoors to your north-facing extra-large alfresco, where endless fun and unforgettable memories await. Savor morning coffee with panoramic mountain views, host lively BBQs with friends and loved ones, or simply bask in the warmth of the sun as you watch your children play in the vast, perfectly kept rear yard. For the active family, this home is a true haven. Surround yourself with endless opportunities for adventure, with parks and bike trails just a leisurely stroll away. Whether it's exploring nature, enjoying picnics under the sun, or embarking on thrilling bike rides, every day is an opportunity to live life to the fullest.
