Recently renovated is this 4 Bedroom family home with a large shed. This property is ideally located with in walking distance to the local schools and Bowen's CBD, The home has just been recently renovated with all new carpets, internal painting, split system air conditioner and fencing. There are new curtains throughout the home for your privacy and the home boasts a lovely patio where you can entertain guests. The spacious kitchen enjoys a lovely breeze and has a new oven and there is plenty of room in the pantry. Located at the back of the fenced property is a large shed for the boat, mower or even set up your own gym. Underneath the house is where the laundry is located and also lockable lending itself to plenty of storage space. This home is inspection worthy if you are after a big family home on a big block and shed.
