THE PROPERTY Embraced by an easy-to-manage garden block, this delightful four-bedroom family home provides an immensely versatile floor plan that's perfect for growing families. Inside, the spacious living room provides a welcoming entrance, with the adjoined study nook flowing through to the contemporary gourmet kitchen, boasting tiled splashbacks, breakfast bar and DeLonghi oven and stove. Sparkling tiled floors extend into the meals domain, where sliding doors reveal the tranquil covered pergola and generous sun-splashed backyard, a haven for relaxation. Further versatile space can be found in the rear family room, with a ground floor bedroom and bathroom ideally situated for guests or extended family. Upstairs, three robed bedrooms feature plush carpet underfoot, with the luxe main boasting walk-in robe, ensuite and mountain views, and the lavish family bathroom flaunting a huge corner spa bath. Additional highlights include zoned heating, evaporative cooling and split systems for optimum comfort, as well as remote double garage, electric gate and security system.
