Privately set from the road, this stunning single level family home sits upon 5 acres of park like grounds and only minutes drive to Glenorie Village shops, cafes & schools. The sprawling home is immaculately presented and offers enormous amounts of space, privacy and sunlight, whilst enjoying the comfort and luxuries that a semi-rural lifestyle has to offer. Key Features: 4 bedrooms all with built in robes and study nook. Master bedroom with walk in robe, full bathroom and electric blinds. Custom caesar-stone kitchen with breakfast bar, induction cooktop and quality appliances. Butlers pantry with sink & dishwasher. Underfloor heating in kitchen and main bathroom. Plantation shutters. Multiple living and dining zones. Manicured lawns with established feature trees and gardens throughout. Spacious undercover alfresco area. Ducted air with 2 zones & slow combustion fireplace. Separate study and internal laundry. Double auto garage with attached workshop/office. Additional triple car shed, water tank for irrigation. Large picturesque dam. Plenty of storage. For more information or to arrange a private inspection, please give us a call today.
