Your very own exclusive waterfront oasis awaits with this spectacular Noosa Heads opportunity. With holiday approval already in place and an unbeatable location just a short walk from Main Beach and Hastings Street, this impeccable property will appeal to everyone from owner-occupiers to astute investors. Leave behind the hustle and bustle of everyday life as you enter through the private and tranquil garden to explore this gorgeous family home. The spacious two-storey layout offers room to move and play with four bedrooms and four bathrooms along with a selection of living areas to suit every mood and occasion. Serving as the hub of everyday life is the gourmet chef's kitchen with a waterfall-edge centre island, a long breakfast bar, a butler's pantry and a suite of stainless steel appliances. The eager cook will never feel removed from the action with views over the dining area and family room or you can move outside to the covered alfresco complete with a built-in outdoor BBQ that will make entertaining a dream. One bedroom, with an ensuite, and a powder room are also on this level while upstairs, you will find the remaining bedrooms and bathrooms alongside a study and yet another sitting area. As you might expect with a property of this calibre, the owner's suite will feel more like your very own retreat. With a luxurious walk-in robe, an ensuite and a private deck, this will be a favourite place to kick back and admire the water views as you reflect on yet another day in paradise. Still craving more? There's also lift access, air-conditioning throughout to name just a few. Outside, the incredible list of inclusions only continues with lush landscaping, a sparkling solar-heated lap pool and a serene backyard that leads to your very own jetty. The ideal place to moor your pride and joy in between days out on the water, this is your chance to enjoy the ultimate Noosa Sound lifestyle and discover everything this world-renowned region has to offer.
