On offer is one the few remaining vacant allotments in the incredibly popular Mountain Mist development. Situated at the highest point of Mountain Mist with the most fabulous views across town and towards Bakers Gully, Huggins Lookout, the Mystic launchpad and the Wandiligong Valley, you will never tire of this view, that is for sure. At 2932m² (just under $\frac{3}{4}$ of an acre) this is also the largest parcel within this subdivision and thus allows you to dream big when it comes to your forever home or make this an incredible base for all your future holidays. You will be situated only 600m from the town centre with the Bright Brewery, Cinema, pubs, restaurants, cafés and shops all only an easy stroll away, whilst having easy access over your back fence to trails galore for running, walking or riding when you're ready to get active. 28 Mountain Mist truly is a magical parcel of land for those out there with an imagination to match.
