Surprisingly spacious, this double storey townhouse offers so much room and provides the added security of a private cul-de-sac arrangement. 28 Napier Place offers two spacious bedrooms on the ground floor, the master equipped with semi-ensuite and separate toilet, whilst the secondary bedroom includes a spacious walk-in robe. The upper level includes a sunlit north facing balcony with generous open plan living, kitchen and dining. The kitchen includes a walk-in-pantry, ample bench space and stainless steel appliances. The lounge offers plenty of space to relax or entertain. The second floor includes a separate toilet, large laundry and additional room which could be utilised as an office, extra storage or form part of the laundry. Ideal for any couple, first home buyer or investor, this is perfect for anyone seeking modern comforts with limited maintenance. Situated in the popular Napier Place and easily accessible to parkland, football ground and schools, it doesn't get much easier than this.
