Quiet and convenient

Renovate or detonate, either way you'll have your foot in the door in the ever so popular Brisbane property market.

For the first time in over 30 years this property is being offered to the market, ready for its new owners to start afresh. This home offers plenty of potential and options whether you're a first home buyer, keen renovator, investor or developer.

Located on the fringe of Brisbane CBD you'll have the best of both worlds. Enjoy a quiet lifestyle away from the hustle and bustle and still only be a short drive to everything you could possibly need.

Convenient and quick access to shops, cafes, restaurants, schools, hospitals, public transport and only 3.5km to Westfield Chermshire.
