**Description:** This family home is designed to cater to the needs of modern living. Beyond the spacious master bedroom with its walk-in robe and ensuite, the other bedrooms come complete with built-in robes, ensuring ample storage for the whole family. The property's open plan design promotes a versatile living environment, allowing for various family activities and relaxation. In addition to the main living spaces, there is a separate rumpus room and a lounge area, offering the flexibility required for different aspects of family life. To ensure a comfortable and temperate living environment, the home is equipped with ducted heating and evaporative cooling. Security roller shutters on most windows enhance the property's protection and energy efficiency. Further adding to the property's appeal, 16 solar panels have been installed to promote sustainability and reduce energy costs. For those who love to entertain, the outdoor enclosed decked pergola area offers a spacious and comfortable environment, perfect for enjoying the outdoors. Additionally, a convenient granny flat with toilet amenities adds to the property's versatility. Completing the package is a remote-controlled double lock-up garage with drive-thru access and a generously sized driveway, comfortably accommodating two cars. The front garden and rear yard are thoughtfully designed for low maintenance and convenience, with a garden shed providing additional storage.
