Breathtaking mountain views. A stunning architecturally designed home. Privacy. Walking distance to town. Let's do the tour; The kitchen, dining and lounge are open plan, lots of space, lots of natural light and take in the magical mountain views, an unforgettable sight. Step outside, entertain, or sit and enjoy the outlook and the peace & quiet. The master bedroom is large, separate & very private, with its own Juliet balcony and a unique panoramic view of the mountains. There is a generous ensuite and walk-in to enjoy. There are two good sized bedrooms on the main level, all with built-ins and close by the main bathroom. On the ground level there is a perfect space for family and friends, a spoilt teenager's retreat, the options are endless, and it opens onto the courtyard, another fabulous entertaining area. The gardens are established, enjoying a myriad of fruit trees and even your very own chook pen. An easy walk to the centre of Bellingen, amazing rivers, colourful markets, cafes, restaurants, and a golf course begging you to sample the challenge.
