With two street frontage this great size family home has everything going for it. The shed is just the icing on the cake. The house itself has two storeys of living space – the bottom level has a fully tiled family room, extra bedroom, shower and toilet. The in house two car garage can also be accessed from this level. Upstairs has a large open plan lounge and dining room and separate sunken kitchen with a servery area looking into the dining area. The living area has polished floors and is fully air conditioned with a fireplace. There is a full length front verandah with views over nearby farmland. There are three good sized bedrooms with carpet. Each room has a ceiling fan and built in robes. The bathroom has recently been refurbished. Stepping out from the kitchen there is a paved outdoor courtyard area with terraced gardens leading to second street frontage. There is a three bay shed with electricity, perfect for the tools or extra cars. All set on just under half an acre, so close to town and with so much to offer, this property is one you don't want to miss!
