Set in an elevated position with views across the city to the surrounding mountain ranges this property has been the cherished home for the current owners for over 40 years. The home has the timeless appeal of polished timber flooring throughout which combine beautifully with the ornate ceilings. There are multiple living areas with space for everyone and every window is met with either a green leafy outlook or views over the city to the mountains and surrounds. Each bedroom has a built in robe and the sunroom provides a fantastic extra room with a multitude of possibilities; it has it's own entry from the front verandah and private ensuite making it a great space as guest accommodation, office to work from home or teenage retreat. The front north facing verandah is sunny and light all day long and the backyard is extremely peaceful with inground pool, lush gardens and gazebo - an ideal spot for summer meals. \* Just 2km to Southern Cross University\* 1.4km to Lismore Base Hospital \* 2.4km to St Vincent's Private Hospital\* 2kms to Lismore Shopping Square - containing major supermarkets and specialty stores
