(Please see our barbie themed quality video and 3d tour to really get a sense of what living in this house is really like)! - The video is worth the watch...This beautiful three bedroom home at 28 Saba Street in Burdell is fully tiled throughout and is ready for you to move into today! If you like to party like Barbie, you'll love the entertainers kitchen. It can fit four at the breakfast bar, has lots of storage for all your pots and pans and the best part is, the easy access to the patio. There's lots of space to gather your friends and have a barbie-cue, plus it even has double gate side access to the backyard! All three bedrooms have split system air conditioners, built in wardrobes and tiled floors for easy maintenance so you can spend more time relaxing and less time cleaning! In your dreamhouse you've got to have a great ensuite and this home has a double shower which is perfect for someone like Barbie when Ken is taking too long getting ready! The family bathroom features a tub which is great for the kids to splash around in or for yourself to enjoy a self care Sunday. 28 Saba Street is located on a 451m² block with 6kw of solar on the roof to help keep those energy bills down. If you're looking to take advantage of the waking paths, new shops and convenience that living in North Shore offers this Keir built family home is perfect. You will adore living in Burdell! Just around the corner there's a new Tavern so you can enjoy the footy on the big screen while devouring one of their parmis - trust me, they're great! Along with your local shops and a Woolworths, you will find McDonald's, Bunnings, 7/11, swimming facilities as well as Townsville Grammar, North Shore State School & St Clare's Catholic School - it really does have it all! If Hot Girl walks at The Strand are your thing, it's only a 20 minute drive away! This property won't last long on the market so I'll see you at the open home - this weekend!
