Embrace the peace and privacy of rural living with this stunning 9.24-hectare building block in Mount Mitchell. Tucked away from the road, this property offers unparalleled seclusion and breathtaking views across the landscape, making it the perfect location to build your dream home. Situated just 35 minutes from the charming town of Glen Innes, this block combines convenience with tranquility. The rich granite soils are perfect for gardening and sustainable living, providing a solid foundation for your future home. A seasonal creek flows through the property, adding to its natural charm and offering a potential water source. The land features a mix of flat to undulating terrain, dotted with striking granite outcrops, creating a diverse and picturesque setting. This property is a haven for nature lovers, with abundant natural flora and fauna enhancing its beauty and biodiversity. A key highlight is the building site, which has already been cleared, streamlining the process of constructing your new home. Moreover, the property's proximity to Warra National Park, just a couple of minutes away, offers endless opportunities for hiking, birdwatching, and enjoying the great outdoors.
