There is plenty to love about this well-maintained, double storey brick family home on a nicely sized 675m² block. Situated in an elevated position and walking distance to shopping centres, cafes, restaurants and public transport, this home not only provides convenience but also ease of living. The well thought out floorplan includes large living areas, sunrooms, office, internal staircase and extra self-contained living downstairs. A lovely leafy outlook from both front and back, beautifully grassed front and back lawn and a covered and private entertainment area make this home an absolute gem. They just don't make them like this anymore!
