Perfectly positioned in a private cul-de-sac, there is a welcoming feel when stepping through the front door of this beautiful lowset family home. Instructions are clear this home must be sold. To secure this home you must act quickly - these homes are in high demand! This meticulously maintained residence is the perfect fit for first home buyers, investors, or those looking for a family home. This is a home that really ticks all the boxes! The well-thought design will effortlessly accommodate every occasion - whether you are entertaining a large group or unwinding after a long day. The large kitchen is centrally located, and flawlessly fuses functionality and style. This offers honey toned flooring, striking silver fixtures, a spacious breakfast bar to accommodate Sunday morning feasts with the family. Entertaining will be no fuss, with the intentional separation between the lounge and family area. Creating a different purpose for each zone, you'll enjoy hearing the laughter echo through the house from the casual lounge room - which potentially could encompass a games room. This room is situated in a prime position in the house with tranquil views of the surrounding greenery. Each of the bedrooms have been located throughout in a manner which affords everyone to enjoy their own space. The master comes complete with a spacious walk-in robe, and a well-maintained ensuite. The main bathroom services the remainder of the household and comes with a large shower, separate bathtub and also great cabinet storage for all the bathroom essentials. The backyard is perfect for the kids and pets to play. Fully fenced, and framed with easy-care gardens, it proposes an inviting space to not only entertain guests, however, savour the blissful afternoons Wishart has to offer.
