Style, luxury and functionality are just a few words that come to mind when inspecting this commanding property. The thoughtfully designed layout is spread over two levels. Upstairs is the massive master bedroom featuring a full en-suite, walk-in robe and private balcony. Beyond the glass: a breathtaking view to impress. Bedrooms 2,3 and 4 all include built-in robes. All bedrooms are awash with natural light from the wide angled windows and timber blinds. The massive near new open plan kitchen is made for the entertainer! The kitchen directly adjoins the dining area that also flows through to the balcony overlooking incredible northerly views. In the kitchen you'll find mountains of stone bench top space and new electric appliances. The ground level features a spacious games room and separate bedroom space that all effortlessly flows through to a covered private entertainer's patio overlooking the backyard and views - a perfect spot to relax and unwind for guests and family alike. Car accommodation is all taken care of with the oversize double garage that also features internal access and electric doors. Surrounded by well established low maintenance gardens and located just seconds from all amenities makes this home so convenient for easy summer living. This architecturally designed home screams 'designer' and will reflect the personality and taste of those accustomed to the best in quality design, finishes and lifestyle.
