This low maintenance home sits on a 313m² block and is set within easy commuting to local Parks, schools, shopping centres, local beaches & all that the McLaren Vale Wine Region & the Fleurieu Peninsula has to offer! The property boasts a long passageway that traverses from the front entry porch for the full length of the home bypassing the study and the three generous sized bedrooms (all with built-in robes). All bedrooms and study have good quality wool carpet and neutral window venetians. Plus there is a separate laundry & main bathroom. Floating floorboards throughout remainder of the house. The master bedroom enjoys a walk in Robe and separate sparkling ensuite. The passageway then opens up to the rear living area, which combines the kitchen, dining & lounge areas. The kitchen possesses ample bench space and breakfast bar & cupboard space & features matching stainless steel gas cook tops, under bench oven, range hood and dishwasher. The living area and bedrooms/study enjoy year-round comfort via the built-in reverse cycle air conditioning system & glass sliding door access to the large low maintenance lawn & paved private rear garden. Plenty of room and lots of sunshine to have a veggie patch or herb garden beds, or you can bring your own garden shed. There is a single garage under the main roof which provides direct internal access to the home. The house is under 8 years old and in good condition after having a fresh paint, new floors and new dishwasher and oven. Please apply for this property first to save time, then register for the inspection.
