Discover the epitome of suburban grace at 28 Thornhill Drive, a stunning home that beautifully blends sophistication with a warm family atmosphere. Set on a generous 665sqm parcel of land in the heart of Forest Hill, this home radiates with an inviting rendered facade and a welcoming entrance that leads into an abode of timeless elegance. Inside, the timber-floored formal dining, living, and lounge areas, you will be sure to entertain guests in style or enjoy tranquil moments in the serene ambience these spaces provide. The medium-sized kitchen, adorned with granite countertops and a glass tile splashback, features a functional island bench, making it a culinary artist's dream. A state-of-the-art Westinghouse gas stove and oven, complemented by a sleek stainless steel dishwasher, ensure modern convenience is at your fingertips. The residence is graced with three light-filled bedrooms, each offering comfortable timber flooring and built-in robes, with the main bedroom boasting an additional walk-in robe for added luxury. The property is fitted with floor ducted cooling and heating to provide a comfortable climate year-round. Step outside to the barbecue ready alfresco space, perfect for weekend grilling and outdoor entertainment. The front yard, back courtyard, and spacious backyard offer a beautiful canvas for garden parties or quiet relaxation. Special features such as an automatic garage, a separate laundry room with outdoor access, and an ingeniously built-in vacuum cleaner system. Nestled within a friendly neighbourhood, 28 Thornhill Drive is just moments away from esteemed schools such as Parkmore Primary School, Burwood Heights Primary School, and Blackburn Lake Primary School, ensuring educational excellence is just around the corner.
