Built in 1950 and with a new bathroom completed this home is looking for a new owner to continue to enjoy the home , the large block of land, the huge powered shed, and more importantly the Central location. Within minutes you have all of Corowa's services and attractions, look no further!! The 2 bedrooms have BIRs and the main bedroom has a split system air conditioner. Heating is Natural Gas and the Cooling is via the 2 split systems. There is a 2nd toilet off the laundry with new tiling, and the dining room has its own Aircon, a gas heater and there is an Open Fireplace in the lounge room. The kitchen is Natural Gas and there is the new bathroom with a shower, Natural Gas Instant hot water system. Now the shed is 7m by 15m, 120m², room for 6 cars with a wood heater , evaporative air conditioning, and a kitchen that makes the shed an ideal "man cave". To complete the package there is a 5kw solar system and a rear deck alfresco plus a garden shed.
