Set on a terrific 995m² approx. allotment is this fantastic family home with so much on offer. This spacious home offers open plan living which is ideal for the growing family with the kitchen offering quality stainless steel appliances including a dishwasher and a 900mm oven plus loads of cupboard space and pantry. The dining flows through to the living area which opens straight out onto the undercover alfresco area which is the absolute area for entertaining all year round. The master bedroom features a comfortable ensuite and WIR and the 2 remaining bedrooms have BIR. A second living zone adds to this already flexible floorplan and additional features such as ducted heating and cooling throughout, quality flooring and window furnishings, a double lock up garage and a recently installed solar power system are sure to impress. The 9m x 6m shed has concrete flooring and the garden is low maintenance with built in sprinkler systems. If you are looking for something to move straight into, then your inspection of this property is recommended. Contact Aidan Moar on 0458 579 328 today!
