Once in a lifetime opportunity to purchase a well established family run newsagency in the main street of the stunning town of Killarney. The newsagency consists of: - Newsagency and Gift Line - Gold Lotto Agency - Coffee Shop with food licence. The Killarney Newsagency services a large area of the local district. All of Killarney's needs are covered including newspapers, magazines, cards and a large range of giftware for that last minute present. The newsagency boasts a coffee nook allowing the locals and tourists to grab a coffee and light meal. At the rear of the building is a studio apartment with open plan kitchen, dining and living area, bathroom with shower and separate toilet. Parking is also available at the rear. This freehold newsagency has it all, and well worth an inspection today.
