PRETTY TREE-LINED STREET

Be super quick for this one - especially all of you downsizers!!!

Tenanted until July 6th, 2022 at \$480 per week, this could also sell to an investor with a rental review to suit the current rental market climate.

A decent sized 4 bedroom, two bathroom, two living area rear home (one of only two) on a well familiar street. 301sqm of land plus 208 sqm of living.

Built in 2014, this quite, hidden dwelling is very private, filled with natural light, not much land to maintain, double garaging and with generous spaces. No strata fees and a terrific lock and leave when you start to travel again.

Flanked between Walter Road and Alexander Drive, this lovely pocket has a lovely, tree-lined aspect both ways. Super close to the Galleria and in the opposite direction, Dianella Plaza, and further West is the amazing, recreated Karrinyup Shopping Centre.

Only registering interested parties at the moment until we can offer private viewings - no public home opens so if you do not contact me then you will miss out.

Thanks for your interest!!
