Rare cottage at Windy Harbour!- Leasehold

Rare Coastal Escape - WIWO

Adjoining a natural reserve with views towards Cathedral Rock this charming original Windy Harbour shack is offered for sale for the first time in over 20 years. Here is a rare opportunity to secure your very own piece of the South West lifestyle, with nothing to bring except your boat and the kids!

This 734square meter block features a generous three bedroom and one bathroom, fully furnished holiday home, self sufficient on solar system, bore, pump and water tanks. A high clearance drive through shed, perfect for the fishing boat, leads to the second large workshop at the rear, with plenty of space for everything, as well as the included shelving, banks of storage and the cottages generator. Two double bedrooms plus a third (currently) bunk room, all with built in robes are set up ready to host the next family holiday, with the wood-fire providing additional comfort over the colder months.

The timber kitchen, gas stove and hand made cabinetry compliment the large bench space, with plenty of room to add to the dining furniture with your own touches. The simple bathroom adjoins the laundry space, with plenty of storage and the twin tub washing machine - everything is provided for.

With access to the South West's pristine D'Entrecasteaux National Park, stunning coastline & the footsteps of the great Southern forests, there really is not a more ideal place to holiday!
