\$199,000

Here is a great opportunity to purchase an acre on the edge of Grassy. Plenty of space inside and out to make your mark. Inside is an open studio space with a corner kitchen and separate bathroom. Outside there is some shedding and plenty of space for veggie garden. All of this is ready and waiting for its new owner to give it some love and bring it back to life. Close to Grassy harbour for swimming fishing and beach combing.
