Set on approx. 3 acres, this family home allows space for the kids to run around or even set up a hobby farm. Featuring 4 bedrooms with a master/ensuite, large open plan kitchen/dining area with a separate space for a study or rumpus room. The modernised kitchen includes stone bench tops, 900mm oven and gas cook top plus ample storage space. This home has all the modern appointments throughout and has new carpet in the main living. Outside is a huge fully enclosed indoor/outdoor entertainment area with built in kitchen and large open fire. The north facing back veranda opens to a secure backyard with built in veggie gardens. A large lock up workshop includes 3 phase power. Located only 6km from Kyabram, enjoy the opportunity to have the space to move and grow while only being a short drive into town.
