This lovingly restored and renovated Nest has just hit the market and we can't wait to show you! With a gorgeous street presence, modern colour scheme and convenient enclosed carport with remote entry, this home is perfectly suited to a professional couple or small family; and the immaculate grounds, two garden sheds, large rear sundeck and fully fenced yard are just the start of all this home has to offer. Inside features many original art deco and period pieces such as the quaint entry hall, internal doors, vintage fittings and double hung windows; and the home has been freshly painted throughout, with new floating floor, NBN, and two split system reverse cycle ac's. Fully rewired, the home is modernised with multiple tv & power points, plus data options and ample light, and has three generous bedrooms, two with robes, and one with ornate fire/mantel. The dining space has ample new cabinetry, and the large living room boasts access to the main bathroom with separate toilet, plus French door access to the rear deck. The kitchen is neat, with separate laundry, and the whole home feels warm and inviting with secure long-term leases offered. A small outdoor pet will be considered, so email to book your personal tour today!
