Nestled in a grassy dell set amongst native bush this 4 ha property offers privacy and tranquility. Listen to the birds serenading you as a kangaroo family appear from the bush to laze in the late afternoon sun, bliss! The low maintenance single storey home is designed for family living that showcases a large covered outdoor entertaining area overlooking the sparkling inground pool. An open plan, airconditioned design provides a seamless transition from the kitchen and large dining space to the living area. 2 water tanks of 5,400 gals each ensures that there is never a water shortage. 3kw hot water and solar power is installed. 3 Phase power. In addition to the double lock up garage there is a 3 bay carport, a boat port with a high ceiling and a powered, air conditioned and lockable container. A good sized greenhouse located near the dam will be a great asset to a buyer with green fingers. Have a game of cricket or take a bush drive around the boundary followed by a dip in the pool and BBQ. Only a 10 minute drive to Tewantin this property offers the best of both worlds, private rural living and just a short drive to the Tewantin village shops and cafe precinct and the stunning Noosa beach.
